## VERSE 1

Maybe it's a little help along the way  
Maybe it's an answer when you pray  
Maybe it's as simple as a sunny day  
After the rain, after the rain  
A grateful heart can start  
If we remember to give thanks  
For these things

## CHORUS

Gratitude is an attitude  
And contagious as can be  
Don't hesitate to appreciate  
'Cause gratitude looks good  
On you and me

**(repeat)**

## VERSE 2

Maybe it's a mom and dad  
Who love you true  
Maybe it's a little something new  
Maybe it's a friend  
Who comes to play with you  
When you're alone, when you're alone  
A grateful heart can start  
If we remember to give thanks  
For these things

## CHORUS

Gratitude is an attitude  
And contagious as can be  
Don't hesitate to appreciate  
'Cause gratitude looks good  
On you and me

**(repeat)**

## BRIDGE

Remember Remember the little things Remember

**CHORUS repeats**
